Norfolk, VA 23510  
757.823.7800

**Cost:**  
\$640,000

**Completion Date:**  
1999

This was a historical preservation project of an existing 4,800-SF car dealership. The enormous task that was to convert the facility into a financial institute from a retail space in conjunction with restoring the building to its original condition featuring terracotta and standing copper roofing. The renovation included concrete repairs and the installation of a 20-ft x 15-ft concrete vault, ATM machines, and a drive-thru teller.
