This is a 100,000 square foot, six-building school accommodating classrooms from kindergarten through 8th grade. Saint Patrick Catholic School is equipped with a gymnasium with indoor basketball and volleyball courts, a clinic, tech lab, library/media center, Performing Arts Theater and a cafeteria with a kitchen that serves 300 students. The project entailed every construction material available such as precast panels, natural slate, Italian granite, copper and brick exterior. The school is nestled on a magnificent 17-acre campus.
