Peter G. Decker, Jr.  
201 Plume Street  
Norfolk, VA 23510  
757.622.3317

**Cost:**  
\$612,000

**Completion Date:**  
1996

This was a design/build project including an interior and exterior renovation of the Rosedale Dairy and a 10,000-SF addition between the dairy and another existing building. The building restoration included erecting the elevated bar joist construction slab. The second level contained sloped floors for dairy processing where extensive leveling had to be performed.
